Determine your Ring Size

1. Select a ring that properly fits the intended finger.
2. Place the ring over the circles below. Match the inside edge of the ring to the circle nearest in size. This measurement refers to the inside diameter of the ring.
3. Match diameter size to Ring Size in chart.
4. If the ring falls between two sizes, then select half size from chart.

Please note, it is always best to have a professional measure your ring finger size to ensure accuracy. This chart is a guide only and your measurement should always be checked with a international standard measuring gauge.
